JARS ON THE NERVES

William Grant Corrigan, brother of Mrs. James Robertson of Tonopah, writes from France: "This is no place for a nervous man." He penned the letter while enemy aircraft were humming overhead and shells from the Teuton guns were bursting in his vicinity. Mr. Corrigan enlisted shortly after the entry of this country into the war and is a member of the second engineers.

FLAG DEDICATED AT TONOPAH HIGH SCHOOL

HUNDREDS OF CHILDREN JOIN IN PATRIOTIC EXERCISES THIS MORNING

One of the most inspiring of the many patriotic services that have been held in Tonopah was held this morning in the public schools. The occasion was the presentation to the public schools of a magnificent large wool-bunting flag by Mr. and Mrs. D. B. Kovacevic, well known business people of Tonopah. The peculiarly happy point to the affair is the fact that both these worthy people were born in Austria.

The seven hundred children of the schools were arranged by rooms on the vacant ground in front of the high school building, while the Boy Scout patrol leaders and the women of the Relief Corps occupied the steps and landing in front of the building.

Mr. Kovacevic in presenting the flag spoke as follows:

"About sixteen years ago I came to this country—this land of liberty—and I wish to say that I never was treated better under any flag than I have been treated under the Stars and Stripes. Therefore, I honor this flag and I love this flag and I am willing at any time to do anything I can for the Stars and Stripes."

The Scout patrol leaders accepted the flag in behalf of the schools and after receiving instructions from the lecturer of the Relief Corps as to the proper care of the flag, they ran the flag up to its proper position, while the hundreds of children, teachers and visitors joined in giving the flag salute.

The happy occasion was made even more joyous by the announcement Superintendent Dilworth made to the assembled school that the board of education had declared a vacation for the coming week.

APPOINT JUDGES FOR BOND CONTEST

MRS. HUGH BROWN AND PROFESSOR CROSS TO COUNT BALLOTS CAST

Mrs. Hugh Brown and Professor Cross of the Tonopah High School, have been appointed to act as judges in handling the votes of the Fifty-Dollar Liberty Loan Bond which is to be given by the Butler Theater on Friday, April 19, the contest opening tonight at 7 o'clock, a vote being given with each admission ticket. Mrs. Brown and Professor Cross, in their official capacity, will have the key to the ballot boxes, and will count and publish the standing of each candidate on Monday, Wednesday and Friday. This is the Butler's novel and original idea of stimulating the interest of the school children in the present Liberty Loan drive.

CALL BRINGS MORE WOMEN FOR WORK

RED CROSS MAKES CREDITABLE SHOWING IN TURNING OUT SURGICAL DRESSINGS

Last evening twenty-four women gathered at Red Cross headquarters for the purpose of making surgical dressings and even though most of them were new to the work, a very creditable amount was turned out. The impetus for this new evening class was given by the Altar Society, the members of which volunteered to come in sufficient numbers to make holding the class worth while. It is not confined to this organization, however, and any one who wishes to come on Thursday evenings will be most welcome. All that is necessary is a Red Cross uniform and a willingness to work for our boys in khaki.

Mrs. Kintock, who is in charge on Thursday evening, will announce very shortly the names of her inspectors and cutters.

COMMISSIONERS MEET

The regular monthly meeting of the county commissioners opened this morning. The day was principally occupied in passing upon bills. W. M. The Business Men's Athletic Club at a meeting held last night decided to donate all proceeds over expenses of the big wrestling and boxing tournament which is being staged at the Airdome on next Thursday night, April 11, to the Nye county chapter of the Red Cross and as the advance sale of seats is assuming large proportions, a packed house is expected to greet the athletes when they appear in the ring.

Montana wires he is in the best possible shape and with a few days in Tonopah to finish his training will enter the ring ready to battle all night, if necessary, to defeat the tough Russian lion.

Kid Broome, who fights Johnny Morrison in the big ten-round boxing contest, meets one of the fastest Sacramento boys at the California capital tonight in the main event of the Sacramento Athletic Club's show and will leave for Tonopah immediately after this contest. Broome has shown so much class during the past year in Salt Lake, Ely and San Francisco that he is now one of the most sought-after boxers on the Pacific coast.

Morrison, who has been practically raised in Goldfield, is one of the most popular boxers ever turned out by the gold camp and leaves for the front the latter part of this month.

President Grier of the Athletic Club, who has known Johnny for the past ten years, told him he would give him one big battle before he left and after looking over the best talent in the bantamweight class decided Broome was the logical man to bring in to meet him.

RELEASE DOCTORS THAT SOLD DRUGS

MINNEAPOLIS, Minn., April 5.—Six Minneapolis physicians, one of them a member of the medical officers' reserve who has been in service, last night were released under bond after their arraignment in district court yesterday, charged with violation of the Harrison drug act. The physicians pleaded not guilty to charges contained in indictments returned after federal authorities had investigated reports that drugs had been sold to draft men in an apparent effort to disqualify them for military service. The court gave the defendants until tomorrow to enter demurrers to the indictments or to change their pleas.

The indicted men are: Lieutenant Benjamin Shallett, United States medical corps, arrested yesterday on his return from Fort Riley, Kas., and Doctors C. D. Whipple, H. W. Darby, V. H. Wilcox, R. S. Brown and Daniel Gordon.

BIG CELEBRATION TO OPEN THE THIRD LIBERTY LOAN CAMPAIGN

WASHINGTON, April 5.—The legislative organization for the Third Liberty Loan was launched last night when congress completed and President Wilson signed the bill authorizing issuance of additional bonds at 4 1/4 per cent.

Earlier in the day the treasury announced that the bonds would mature in ten years, that the loan campaign, opening tomorrow, will continue four weeks until May 4 and that after the initial payment of 5 per cent on subscription, installments of 20, 35 and 40 per cent would be due respectively, on May 28, July 18 and August 15. The amount is \$3,000,000,000 and over-subscriptions, and the only remaining details to be determined by the treasury are the arrangements for conversion of bonds of the first and second loans into Third Liberty bonds.

Within an hour after President Wilson signed the bond bill, the first completed bond of the Third Liberty loan came from the press of the bureau of engraving and printing. It was a \$50 "baby bond" and was laid aside by James L. Wilhoit, director of the bureau, for special disposition to be determined later. Forty thousand more bonds will be ready today, 100,000 by tomorrow and thereafter they will be turned out at the rate of 500,000 a day.

Reports to the treasury yesterday told of workers all over the country preparing for celebration tomorrow for the opening of the loan campaign and the anniversary of the entry of the United States in the war. The keynote for the big popular war credit, to be sounded by President Wilson in a speech at Baltimore and by Secretary McAdoo at Philadelphia, will be echoed by scores of other speakers at local meetings from coast to coast.

AMUSEMENTS

BEAUTIFUL ETHEL CLAYTON TODAY AT BUTLER THEATER

Brides! Newlyweds! Listen, we want to ask you all a question—do you love your husbands? Don't blush, don't giggle. That's all right, you don't have to answer if you don't want to. We merely wanted to arouse your interest in the fact that when Lois Page married her husband she didn't love him. Not only that, he wasn't even a friend of hers, and also she even told him that she hated him! Imagine that situation, brides and newlyweds! Anything like that in your families? Naturally getting married under such conditions as these, poor little Lois had a tough time of it. She was so pretty and winsome and charming, too, and her husband was such a mighty good looking man that it really was a shame. You'll see it all when you attend the showing of "Easy Money," the new World Brady-Made picture at the Butler this evening. You'll also see what came of it all and what a terrible predicament Lois finally got herself into. You'll be thoroughly pleased by this new picture and you'll be simply fascinated by the stage and screen beauty, Ethel Clayton, who stars in the role of Lois Page, and who has not been seen by an audience in many months. The second feature on today's program is the fourth number of "The Hidden Hand," Pathe's four-star enthralling film production, filled with action, filled with mystery, filled with thrills—just getting into the interesting part of the story. Who will be successful in opening the explosives packet and securing the information disclosing the rightful heir? Who will it be? Tomorrow, Ethel Barrymore, in "An American Widow"—also one of the very best of Mack Sennett comedies, featuring Polly Moran, the world's greatest horseback rider in thrilling stunts.
